SUSTRANS – Big Pedal

A fantastic effort this week for our big pedal challenge. When you go to a rural school it really is a BIG pedal, so well done to all those who walked, scooted and cycled this week! Will we get even more next week? We would love to have a big effort on the final day, Friday 30th April. Remember you don't have to walk or scoot the whole journey, you can 'park and stride', even a short journey will count and maybe we will get a school treat. Your SUSTRANS hi vis will make sure you can 'Be Bright and Be Seen'!

Care in the Sun

Gorran PS has a care in the sun policy. In this, we permit and actively encourage pupils to apply their own sun cream. So on warmer days please consider sending sun cream in their bags. Children are also allowed and encouraged to wear caps and sun hats while outside. (NB It will probably snow next week now that we have sent this message out.)

Reading Books

Could you please have a quick check at home to see if you have any school reading books and send them into school?

Sports Day Trophies

Did you win a sports day trophy back in 2019? If so, can you please return it to school in preparation for this year's sports day.

Road Safety @ Gorran

We are continually working to make Gorran as safe as possible. Architects have drawn up the plans for increased car parking and drop off zone which will be presented to the EA for approval. We also had representatives from PSNI and Council out to do a traffic survey and we will be lobbying for improved signage and temporary speed limit at the school.

When picking up children please do not feel that you need to rush. It is really important that, if needed, you take the time to get out and walk children around to the passenger side.

We really appreciate your continued support with collection and drop off.

Stars of the Week

Our Gorran Stars this week are.....

Primary 1 and 2 – Emily for super work on her reading. **Oscar** for fantastic work on subtraction.

Primary 3 and 4 – Lilian and **Lucy** for great numeracy. **Darcy** for having great confidence in her work this week.

Primary 5 and 6 – SAM H and **Amy** for great work on their division problems and **Kora** for excellent work on decimals.

Primary 7 – RUTH for consistently working to the best of her ability and **Josiah** for excellent
