## SUSTRANS – Big Pedal

It has been great to see families completing active journeys to school. We have had over 60 active journeys so far during the big pedal which is a huge increase from our normal activities. Tomorrow is the last day, will it be the most active yet? **All** pupils will get a small treat and those who have made at least one active journey will receive a Big Pedal certificate.

## Teachers Challenge

During the Big Pedal, staff at Gorran have been getting active by taking part in a team step challenge –

TeamMurphy vs. TeamParkhill.

While it is still very close, it looks like TeamMurphy will take the trophy this year.

Congratulations to the winning team!

A huge well done to all participants, as 12 staff have clocked up over 2 million steps in 8 days.

Impressive stepping!

## Library Van

The Library Van have asked anyone with a borrowed book to please bring them back into school.

(If you log on to libraries NI it should give you your list of books.)

## School Closure

Reminder that school is closed on Monday and Tuesday next week. Pupils will return on Wednesday 5<sup>th</sup> May.

## Resources for Mud Kitchen

Do you have any unused saucepans, frying pans, ladles, wooden spoons (anything unbreakable)? If so, please send these into school so we can replenish our mud kitchen. Looking forward to more delicious mud pies and flower soup!

## Stars of the Week

Our Gorran Stars this week are.....

**Primary 1 and 2 – Faith** and **Poppy** for fantastic work on subtraction.

**Primary 3 and 4 – Alexander** and **Daniel** for great focus this week. **Jake** for super work in numeracy.

**Primary 5 and 6 – CARYS** and **Ruby** for excellent work on decimals and percentages.

**Primary 7 – Isla** showing initiative and consistently working to her full potential and **Jay** for persevering to design 2 Irish cottages using different media.

## Parent – Teacher Feedback

Unfortunately, schools are still unable to hold face to face parent teacher meetings.

Instead, teachers have prepared a brief 'feedback report' on how pupils have settled back to working in school and any areas you could help to develop (Focus for Development).

These will be sent out via email next week. If anybody requires further clarity, you are welcome to request a phone call with your class teacher.
