## New Picnic table

A very big THANK YOU to the Leeke family, who made and kindly donated a fabulous sand/picnic table. It is an extremely versatile addition to our outdoor area and already proving a popular spot.

## Playground Equipment

We were delighted to get some extra funding to update and enhance our playground equipment. We have new footballs, giant skipping ropes, bats and balls, pom-poms and lots more.

It has been a big hit already!

## Water Bottles

It is important to drink plenty of water. So please try to remember your water bottles every day. We are not able to have the water fountains on, but children are free to refill their bottles as many times as they wish.
