PTA S'mores kits

The PTA have been busy creating delicious Family S'mores kits. The kits include everything you need to make S'mores in the comfort of your own home, plus lots of other goodies. Perfect Christmas gifts or for family movie nights in. Boxes cost £12 each and have enough for a family of 5/6.

You can order your box or boxes under the payment section of the school app from next week.

Get your orders in early, because when they are gone they're gone!!

School Choir

It was wonderful to hear our choir singing again in school. I think it is our largest school choir to date. Choir club will continue every Tuesday up until Christmas. A big thank you to Mrs Doey for sharing her talents, enthusiasm and love for music with our pupils!

Anti-Bullying Week

Next week is anti-bullying week. Andy and his odd socks will be helping teachers and pupils to celebrate that we are all unique and talk about how we can help to stop bullying.

We are encouraging everyone, pupils, teachers and mums and dads to wear odd socks on Monday 8th November 2021.

School Football

Congratulations to the boys who had their first tournament of the season yesterday. They played some fantastic football and finished with a win, a draw and one defeat in a competitive group. Looking forward to round 2 in December.

Shoe box collection

Shoe boxes will be collected on Wednesday 17th November. This year we can pack either traditional or online boxes or both. See www.shoebonline.org.uk. The leaflet "How to pack a shoebox" is available on the school app.

Keeping Warm

As it is getting 'wintery' and cold outside we have to balance keeping our classrooms well ventilated as well as comfortable and warm. If pupils wish to wear an extra layer to keep them warm that is no problem. Also encourage children to tell a teacher if they are feeling a little cold in class.
