## Outdoor Areas

With our Welly Woods getting lots of happy feet stamping through it every day, we have noticed that our bark/wood chip coverings need topped up regularly.

Thanks to a very kind member of the Gorran Community for the load of bark that has helped to dry out the mud kitchen area. If anyone else has some spare wood chippings or can source them, please get in touch.

## Cross Country/Running Club

We had great fun at running club on Tuesday. Kids covered over 2km in the first week.

We are hoping that on Tuesday 8<sup>th</sup> February we can complete a 4km run in the forest. We will be looking for some parent helpers so it's time to get the running shoes on.

## Learning Buddies

Our Primary 7 class are a great credit to the school. It is wonderful to watch the care and enthusiasm they bring to their learning buddy sessions. The Primary 1 and 2s just love listening to their stories.

Looking forward to handing out many more certificates in our next celebration assembly.
