SUSTRANS

Despite the weather, our Primary 5s have passed their level 1 cycling skills. Thanks to all the parents for going to the effort of getting their bikes in to school; we know it's not easy. Primary 6 and 7 will complete theirs tomorrow and next week.

This will have everyone ready for the SUSTRANS 'Big Walk and Wheel' challenge at the end of March.

Library Van

It was great to have the library van back at school today. All books have been checked out for 4 weeks and the van will return on 24th March.

Coleraine Festival

Mrs Murphy and Mrs Fitzpatrick are finalising arrangements for this year's Coleraine Music Festival. Keep an eye out on the app for a letter with the details and a booking form.

Hockey

Good luck to both the Boys' and Girls' Hockey teams who are competing in Ulster Hockey's NI Pearson cup tomorrow!

Heartstart

We are all in safe hands as Primary 7 completed their Heartstart training this week. We were so impressed with their knowledge and understanding of first aid and CPR. They were absolutely fantastic and we definitely have some future paramedics, nurses and doctors.
