## Big Spring Clean

The Eco Committee have been busy planning our big spring clean. Each class has been given jobs to do. We would really appreciate it if each family could bring in a small bedding plant to be planted around school. It would be a good idea to wear old clothes on Wednesday.

## PTA – Spring Clean

The PTA has organised a big spring clean for next Wednesday evening, 4<sup>th</sup> May. We would love parents to call into school between 6 and 8pm, so we can tidy, sweep and paint around the school grounds.

If you could bring one of the following items to use on the night that would be brilliant -

- Gardening tools
- Spade
- Yard brush
- Paint brush
- Wheelbarrow

## Shining front of School

We're very proud to be Gorran and want our school to look the best it can. We've been working hard at the front of school removing old bushes.

A huge thankyou to one of our PTA members, who power hosed the front walls, steps and parking area to make it ready for the arrival of our new playground shelter.

We hope soon to announce an exciting new addition that will brighten our brown walls!

## Unwanted Visitors

We've had a case of head lice in P1/2. So it's important to give your children's hair an extra check. Thank you.

## Easter Football

We were delighted that some of our footballers got the opportunity to play at half-time at Coleraine Showgrounds on Easter Tuesday. They were not fazed by the crowd and played some fantastic football. Thanks to all the parents, who came along to support.
