Sun Safe
We will hopefully see some sunshine soon. It would be good to have a sunhat and some sun cream in your child's school bag.

PTA – Big Spring Clean
We want to say a huge thank you to our PTA and others who gave up their time last Wednesday to work in our grounds. Our outside space is looking fantastic and the children are enjoying the new or regenerated resources.
PTA along with our student's council are working towards a new 'nature project'. With a big fundraising event planned in June. We know that our community will be fully behind their fundraising efforts.

Wildlife at Gorran
Our school grounds are bursting with wildlife. From hares in the playground to newts in the pond we have seen it all. Today the most beautiful bird crash landed in Mr C's office. After a little research we discovered he was a goldcrest, the smallest UK bird. Following a quick recovery, he was released and can be spotted hopping around our eucalyptus tree at the front gate.

Festival Success
We are so proud of every one of our pupils who has taken to the stage in the Coleraine Festival. Many have returned with awards others not. Either way, we are just delighted that pupils got on stage and gave their best with a huge smile.
Again, we want to say a big thank you to Mrs Murphy, Mrs Fitzpatrick and Mrs Doey for preparing the pupils and more importantly for making it fun!
Good luck to those performing tomorrow.

Student Council
Student council are looking for new members. They are running elections for pupils in Primary 2 to 6. Unfortunately, we won't be able to select everyone who enters, but there will be a certificate and treat for those who take part.
All you need to do is write your name and class on a piece of paper, along with a short paragraph about why you would like to be on the student council. Post this in the post box at the front door before Friday 20th May.

Unwanted Visitors
We've had a couple of recent cases of head lice in school. So it's important to give your children's hair an extra check.
