Milk

Tomorrow will be the last chance to order milk for this term. The payment option will no longer be on the app after Friday 30th September.

Eco – Committee

Our eco committee met with Mrs Doey this week. They came up with great ideas that will keep our Nature Den Eco-friendly, wrote rules for looking after our new resources and have a list of outdoor jobs to be completed this year.

Cross Country

We have had a successful cross country team in Gorran for the past number of years. Six boys and six girls can represent the school at 3 events on 12th October, 14th December and 18th January. Mr C will take a practice/trial run at break times tomorrow and every Monday up to the first event. We will send out further details to those on the team closer to the time.

Tennis – Monday

Tennis was postponed last Monday due to the wet and windy weather. Fingers crossed we will have tennis for all classes this Monday. Children can wear a pair of trainers to school for tennis.

Stars of the Week

P1/2 – **Elsie** for super writing. **Edie** for working really hard in class.

P3/4 – **Mason** for super work on adding. **Lilyanna** for super story writing.

P5/6 – **Isaiah** for being extremely thoughtful and helpful. **James Wi** for a super attitude to his work.

Seesaw Family

We have sent invite links to Seesaw Family. If you have not already accessed seesaw, please do so. Class teachers will send out useful information about homework, class trips, PE days, etc. You will also get an idea of what is happening in class through pictures and samples of work posted. If you are having any issues accessing your child's journal on seesaw, please get in touch. Thank you.
