Coding with The Nerve Centre

P5-7 from Gorran and St Columba's were coding again on Monday. This time using scratch junior with help from the Nerve Centre and creating games on the Spheros with Gorran staff. It is amazing how much progress the children have made. Their expertise will soon surpass the teachers. We hope that the Year 7 will be able to pass on their knowledge to our younger pupils as they become 'Digital Leaders' in school.

P7- Oliver for great decimal work in maths. **Leyland** for having a great attitude and showing great perseverance towards his work.

School Clothing Bank

Thanks to all those who use our clothing bank at school. It always amazes us how quickly it gets filled. It provides a steady top up for our school fund. It was emptied again yesterday and ready for more of your unwanted clothes and materials.

Wrap up Warm

It is due to get a little chilly again at the beginning of next week. So please make sure you have a pair of gloves and a hat in your school bag.
This big question is.....Will it bring snow to Gorran??

Hockey

Our next hockey blitz will be on Monday 23rd (boys) and Tuesday 24th January (girls) at Rugby Avenue Coleraine.
