**Primary 7 – Nature did it First**

P7 were at Garvagh Forest today to launch their biomimicry project. They will be studying and learning from nature to solve human design challenges. They will be working alongside experts, students and local engineers and we are excited about where this new project will take us!

**Our School Rules**

We have three simple rules in Gorran to help ensure everyone is happy, safe and achieving their best in school.

- Our Rules are about –  
(being) **READY**  
(showing) **RESPECT**  
(staying) **SAFE**

Through star of the week certificates, stickers, dojos and our marble jar prize, we will look for every opportunity to celebrate when children are following these rules and helping to make Gorran a special place to learn!
