Nessy Software

It is great to see so many pupils already engaging with Nessy online learning.

From early phonics work in hairy reading to increasing speed and accuracy in touch typing, it has something for all pupils to engage with and learn. If you have any issues getting logged in, please get in touch with your class teacher or email gorranps@gmail.com and we will try to get it sorted ASAP.

Shared Ed – KS2

P5-7 had a great morning in Ballerin. They had sports coaching in both rugby and hurling/camogie. It is great to be able to make friends and learn some new skills. Shared Education will continue with more sports on Wednesday 19th March.

Library Van

We are very fortunate to have the library van visit school every other Thursday. It is important that we continue to utilise this facility. We would encourage all pupils to borrow a least one book from the van each visit. If you need help with Library cards, please get in touch.
