Hockey Success

Well done, **girls!** With Faith's amazing saves in goals and our solid defence (Emma, Lilian and Elsie) we really showed our strength. The midfield link-up from Laura was excellent, and goals from Jessie, Felicity, and Matilda were fantastic. Undefeated in the group stage with three wins and three draws, that's impressive! Even in the semi-final, against a tough opponent, we held our own. We finished third in the playoffs, leaving the team with an outside chance of progressing further.

What an incredible effort from our **boys'** team! They showed superb teamwork and sportsmanship throughout the competition, improving with each game. It's heartwarming to see how they welcomed and encouraged two Dunseverick pupils who joined their team.

As principal, I couldn't be prouder of both teams' performances and their positive attitude. This experience is a testament to the wonderful character of our student!

Big credit to Mrs Parkhill and Mrs Kelly who put a lot of knowledge, time and enthusiasm into Hockey at Gorran.

Shared Ed – FS/KS1

Unfortunately, there was a problem with transport and the pupils were unable to travel to Shared Ed today. They will add an extra week in at the end.
