## Outdoor Fun

Despite the weather, the children have had so much fun playing together outside. This is such an important part of our new school day. Our staff are kitted out in their wet weather gear and ready to head out in all conditions.

**"There is no such thing as bad weather, just the wrong clothes!"**

Wellies and waterproofs are essential for pupils. Spare socks in your school bag would be a good idea!

## Getting Back to 'Normal'

All the 'extras' that we enjoyed in school (break from the canteen, milk deliveries, kids club, sunrise club, after-schools, music tuition etc.) have not been forgotten. We will continue to monitor our return to school and introduce these when we feel it is safe and sensible to do so. For now, we are just very happy to be back in school learning together.

## Lunchtime

How it works?

Pupils have lunch in the dinner hall with the children in their 'bubble'. P1/2 at 12pm, P3/4 at 12:30pm and P5/6/7 at 1pm.

Pupils get a separate outdoor playtime. All bubbles get at least 30 minutes in the morning and 30 minutes in the afternoon.

## Seesaw App

We hope that you were able to get connected to Seesaw. We will be sharing lots of great learning as soon as we get the photographic permission signed. Any problems getting access please let us know.

## Contacting School

We know there are a lot of changes to get used to. As always, if you have any questions please contact the school either by phone or emailing [gorranps@gmail.com](mailto:gorranps@gmail.com)

## School App/Permission

Thank you to everyone who has downloaded the school app. We will now be sending our permission slips through the app. This week we will be asking for permission to use photographs on social media etc. We would appreciate it if you access the permission slips, complete and submit it as quickly as possible. There is also an AM2 medical form, please complete this for any child who needs medicine administered in school. These can be found under the forms section of the App.
